

Check List: Vehicle Idling on School Property

- Reviewed the school building (or District) procedures for bus and vehicle idling on school property.
- A school building (or District) policy eliminating the idling of motor vehicles on school property has been adopted.
- The adopted policy has been posted and shared with all students, parents, teachers and staff.
- All school bus and school vehicle drivers are informed of the school building (or District) “no idling” policy.
- School bus and vehicle engines are turned off when loading and unloading students.
- When multiple buses are loading, all engines remain off until all students are on board and bus doors are closed.
